RE: N.O.V. for BP&G Materials

2/7/2017

BP&G materials did not turn in our DMR, s for the following 9/30/14, 12/31/15, 3/31/16, 6/30/16, 9/30/16, 12/31/16. This was due to replacing our computer and the automatic monthly notification did not transferre in to the new system. This was an over sight on our part and we take full responsibility.

Please note that during this time no discharge for our plant occurred.

We have submitted all the delinquent DMR, s.

Also, please note that for this point forward that all correspondence needs to be addressed to

We have implemented a two-person system for our DMR process to ensure that this will not happen again.
