RE: Carthage WWTP
Industrial Waste Survey TN0022993

Dear Katrina:

As a condition of our NPDES permit, we are required to perform an Industrial Waste Survey (IWS) within 120 days of the effective date of the permit. The Town of Carthage does not have a need for conducting an IWS at this time as there is no industry located here. Should an industry wish to locate within Carthage, an IWS will be conducted at that time. Please accept this letter as an acceptable alternative to the required IWS report and do not hesitate to contact me if you have any questions. Thank you.

Sincerely,

Sabra Hodge
