RE: Application for Coverage under the CGP
Gateway Global Logistics Center, Kenco Building
Existing CGP Tracking Number: TNR153887
Shelby County, Tennessee

Dear Mr. Hancock:

The Division of Water Resources (DWR) received your submittal for coverage under the Construction General Permit (CGP) for construction activities for the above-referenced site on January 28, 2014. A Notice of Deficiency (NOD) document was sent to you on February 26, 2014, regarding deficiencies in your application. To date, your application for CGP coverage has not been processed because the items listed on the attached page have not been submitted:

You and/or your consultant have been contacted several times via phone and email regarding the deficient items. Please be advised that if your application is not completed by July 25, 2014, it will be marked as withdrawn. If you plan to proceed with the project after that date, you will need to resubmit your application to obtain CGP coverage. Additionally, please be aware that the initiation of construction activity without permit coverage is a violation of the *Tennessee Water Quality Control Act of 1977* and could result in enforcement.

If you have any questions, please contact me at (901) 371-3025 or ***Joellyn.Brazile@tn.gov*** or Mr. Cliff Caudle at (901) 371-3028 or ***Cliff.Caudle@tn.gov***.

Sincerely,

Joellyn Brazile

Joellyn Brazile, CPESC
Environmental Program Manager
Division of Water Resources
