Owner or Developer Certification (must be signed by president, vice-president or equivalent, or ranking elected official) (Primary Permittee)

I certify under penalty of law that this document and all attachments were prepared by me, or under my direction or supervision. The submitted information is to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment. As specified in Tennessee Code Annotated Section 39-16-702(a)(4), this declaration is made under penalty of perjury.

Owner or Developer Name; (print or type) Geoffrey R. Hart	Signature:	Date: 7/13/16

Contractor(s) Certification (must be signed by president, vice-president or equivalent, or ranking elected official) (Secondary Permittee)

I certify under penalty of law that I have reviewed this document, any attachments, and the SWPPP referenced above. Based on my inquiry of the construction site owner/developer identified above and/or my inquiry of the person directly responsible for assembling this NOI and SWPPP, I believe the information submitted is accurate. I am aware that this NOI, if approved, makes the above-described construction activity subject to NPDES permit number TNR100000, and that certain of my activities on-site are thereby regulated.

Re: NOI and SWPPP certification for Beazer Homes' lot 72 in Hillwood Section 5, Murfreesboro, Tennessee

Dear Ms. Morbitt:

On behalf of our client, Beazer Homes, we have enclosed a completed and signed Notice Of Intent for coverage under the Tennessee General NPDES Permit for discharges of Storm Water Associated With Construction Activities Permit No. TNR100000 (TNCGP) for home construction on lot 72 in Hillwood Section 5, in Rutherford County, Tennessee.

Please also find enclosed the signed SWPPP certifications, topographic map, and plan sheets identifying the lots and the proposed location of BMPs. These lots will be covered by the original SWPPP for Beazer Homes' lots in Hillwood, which was submitted to your office on August 18, 2014. The development project is permitted under tracking number TNR240143, therefore, we have enclosed a $100.00 fee for NOI processing.

Please copy us on the Notice Of Coverage by email to wqectn@comcast.net or to our office at the mailing address above.
Please contact me at 615-292-4812, if you have any questions.

Yours truly,

Colleen White

Owner/Operator's Certification:
I certify under penalty of law that this SWPPP and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. As specified in Tennessee Code Annotated Section 39-16-702 (a) (4), this declaration is made under penalty of perjury.

Name: Geoffrey R. Hart Title: Nashville Division President Company: Beazer Homes Nashville

Signed: _____ Date: 7/13/16

This Storm Water Pollution Prevention Plan and attached Notice of Intent is submitted to TDEC for coverage of the following site under NPDES permit number TNR100000.	
Project name:	Beazer Homes lot 72 in Hillwood Section 5
Existing Tracking Number:	TNR240143
Area of responsibility/control:	Home construction and related activities

Contractor's Certification:
I certify under penalty of law that I have reviewed this document, any attachments, and the SWPPP referenced above. Based on my inquiry of the construction site owner/developer identified above and/or my inquiry of the person directly responsible for assembling this NOI and SWPPP, I believe that the information submitted is accurate. I am aware that this NOI, if approved, makes the above-described construction activity subject to NPDES permit number TNR100000, and that certain of my activities onsite are thereby regulated. I am aware that there are significant penalties, including the possibility of fine and imprisonment for knowing violations, and for failure to comply with these permit requirements. As specified in Tennessee Code Annotated Section 39-16-702 (a) (4), this declaration is made under penalty of perjury.

LEGEND

- Indicates lots under permit Limits of Disturbance
- Stable
- Owned by others.
- Ⓐ–Ⓑ Indicates Outfalls
- Indicates direction of flow
- Temporary Construction Entrance 7.28
- SF Silt Fence 7.34
- Inlet Protection 7.35

Initial Lot Disturbance

1. **See vertical phase lot EPSC details. Silt fence on this plan is only representative.**
2. Location of stockpiles, construction materials and equipment storage will be selected during construction and the SWPPP will be updated at the time.
3. Lots unstable for more than 14 days must be temporarily stabilized. Lots with slopes greater than 3:1 must be stabilized within 7 days.
